The Crit Lab Travels!

We can create a new Crit Lab in your community. If you have a space large enough to accommodate a group of 6-7 people and have room to hang work- we can set up a group. We work hard to keep costs reasonable. Groups beyond Port Chester require a minimum of 6 people to run, max is always 7.

Additional costs may incur for sessions outside MAPSpace - for travel, lodging and space.

Private Consultation, Critique, Studio Visits, Professional Biz Assistance.

Patricia is available for private studio visits, critique, and professional assistance with writing artist statements, grants, portfolio review and more. Sessions can be arranged by appointment in-person or via google hangouts. Sessions can be single or booked as a concentrated group.
